

BRUSSELS APPLE - 3,2% Vol Alc - 33 cl

« This typical beer from Brussels finds its origin in the XIXth century. Slightly sugared and brewed on the basis of wheat beer and 100% natural fruit juice, it gives off a delicious taste of fruit which makes the happiness of the people of Brussels. A very refreshing, light and thirst-quenching beer. »

Description

Appearance : Cloudy blond topped by a nice white head.

Aroma : Rich and charming fragrance of apple and fruit with some pleasant scents of sider.

Taste : Smooth beer, very mild and thirst-quenching, slightly sugared with a light taste of apple sharpened by sider nuances.

Remark : Mild and very fresh beer. Tasting between 2° and 4°C.
