

BRUSSELS RED FRUIT - 4,3% Vol Alc - 33 cl

« This typical beer from Brussels finds its origin in the XIXth century. Slightly sugared and brewed on the basis of wheat beer and 100% natural fruit juice, it gives off a delicious taste of fruit which makes the happiness of the people of Brussels. A very refreshing, light and thirst-quenching beer. »

Description

Appearance : Cloudy red nicely topped by a dense pinky head.

Aroma : Rich and charming fragrance of red fruit and berries with some scents of flowers.

Taste : Smooth beer, very mild and thirst-quenching, slightly sugared with a delicate taste of black currant, raspberry and bilberry.

Remark : Very mild and fresh. Tasting between 2° and 4°C.
